ENGR. MICHAEL V. CABALDA
OIC Director
DENR Mines and Geosciences Bureau (MGB)
MGB Compound, North Avenue, Diliman, Quezon CityQuezon City, Philippines

Dear **Director Cabalda**:

The Department of Science and Technology–Philippine Textile Research Institute (DOST–PTRI), pursuant to Proclamation No. 312, s. 2011, leads the country in celebrating the 2026 Philippine Tropical Fabrics (PTF) Month under the theme ***Stitching Futures***, with a series of activities planned throughout January 2026. This celebration also marks the DOST–PTRI's 59th founding anniversary.

As a stakeholder of the Philippine textile innovation ecosystem, we would like to request your good office to carry the banner prepared for the 2026 celebration by posting it on your office premises, website, and social media platforms. This initiative aims to raise awareness among government employees and the general public about PTF and the Republic Act No. 9242. The banner may be edited and downloaded through this link:

https://bit.ly/2026PTFMonthCollateralsLinks

You may indicate your Department/Agency name on the banner.

Our Ms. Zailla F. Payag, Supervising Science Research Specialist, will directly coordinate with your office regarding this matter. She may be reached through her email at ptri.tips@ptri.dost.gov.ph or by mobile/Viber/Telegram at +6393 935 6774.

Thank you.

Very truly yours,

(Sgd) JULIUS L. LEAÑO, JR., Ph.D.
